## HELP!

If you need help at any time, just press the **Start** button and the **Help Screen** will appear! This screen will show all of the Paint Symbols and tell you what they do!

## BASIC TOOL SELECTION

TOOL BOX

PALETTE

HELPING  
HAND

DRAWING  
BOARD

Paint has a Tool Box located at the top of the screen. To choose a tool move the **Helping Hand** to the tool symbol and press the **Main Action** Button. A Hi-Lite box will appear around the tool you have selected! Then move the **Helping Hand** down to the drawing board and press the **Main Action** Button once again to use the tool! Simple, huh?

## INSIDE THE TOOL BOX

There are many different tools in the toolbox and each has its own symbol. Study the symbols carefully!

## OH NO!

If you make a mistake the **Oh No** symbol will undo it! It will only undo your very last action.

# PAINT

## EXIT

If you want to go back to the Main Selection Screen, just look for this door and go through it!

## UP/DOWN ARROW

Use this to look at the different drawing and effects tools. You'll find it on the left side of the tool menu.

## PALETTE

The Palette controls the color of the Drawing Tools and the Filler Paint Can. You have 15 colors and 150 different patterns to choose from - that's a lot! Use the arrow symbol located on the right side of the palette to look at the patterns.

## MYSTERY EFFECTS

These are mystery drawing tools that will create magical effects when the **Main Action** Button is held down! Check it out!

## PICTURE FRAMER

After finishing your work of art, you might want to record it on the VCR! If you don't want the Tool Box and Palette on your recording, pick this symbol before you record and they will disappear. To make the Tool Box reappear, just press **Any** Button!

# PAINT

## DRAWING TOOLS

Once you have chosen a Drawing Tool, move the **Helping Hand** down to the Drawing Board. Now, press **Any** Button to draw a line. Press **Any** Button again to stop the line. Want to change your drawing speed? Just press **Select**!

### STRAIGHT LINES

# PAINT

You can make cool geometric shapes with these tools!

UNFILLED

BOX

FILLED

CIRCLE

SUPER SHAPE

**Hint!** When using the Super Shape you can stop and restart the Super Shape by pressing the **Secondary Action** Button!

## COPY AND PASTE LASSO

You can copy a part of your picture and paste it down anywhere as many times as you like! How? Press **Any** Button and draw a box around the area you want to copy. Press **Any** Button again to close the box. Paste the image where you want by continually pressing the **Main Action** Button. To start another box, press the **Secondary Action** Button.

**Hint!** Only the parts of the image with color are copied! Also, you can hold the button down and move the cursor to continually paste the image to create a cluster or group of images!

# PAINT

## MUSIC SELECTION

When you select this symbol you can choose a soundtrack for your picture! The **Song Palette** will appear instead of the regular Palette. Note: If you play a song, the drawing sound effects will stop. To STOP playing a song, press the Jukebox Symbol again!

SONG PALETTE

Bring in a song you wrote in Music by picking the Clef Symbol!

## THE FILLER PAINT CAN

This tool is really handy when you want to color large or detailed areas! Just select the color or pattern you want from the Palette, move the paint can into the area you wish to color and press the **Main Action** Button! Pushing the **Secondary** Button will stop the fill!

**Hint!** You cannot fill the color "Black". Also, don't try to fill an area with a color that is already in the fill pattern. A frowning face will appear if you do!

# PAINT

## THE COLORING BOOK

If you like coloring books, then you're going to dig this! First, pick the **Coloring Book** symbol by pressing **Any Button**. A choice of scenes will then appear where the **Palette** is. Move the **Helping Hand** to the scene you want and press **Any Button**. There are 30 totally rad scenes to color, so have a blast!

USE THE ARROW SYMBOL  
TO SEE THE DIFFERENT  
CHOICES YOU HAVE!

## JUMBO STAMP

The **Jumbo Stamp** tool has all kinds of cool uses! The first thing you do is pick the **Super Sun** symbol. The palette will then change into the **Super Sun Palette**! There are 66 objects to choose from!

SUPER SUN PALETTE

LOOK CLOSELY AT THE JUMBO STAMPS, THEY ALL  
MATCH UP WITH DIFFERENT COLORING BOOK SCENES!

You can reverse or rotate the Jumbo Stamps with the Watermelon **Flip/Flop** symbol! But do it before you stick your stamp onto the drawing board!

## PAINT

Stylin Stuff

Mix n' Match

There is also the **Import** symbol which lets you move your creations from Style into the picture you're creating!

## ANIMATED & STILL OBJECTS

There are 14 **Animated** and 66 **Still Objects** that you can put into your picture one at a time! Use the **Main Action** Button!

### ANIMATED OBJECTS PALETTE

**Hint!** Select your animated object with the **Secondary Action** Button and it will be reversed! Cool Trick!

Use the **Arrow** at the end of the Palette to see all of your choices!

## MINI-STAMPS

Select the **Mini-Stamp** symbol and the Palette will change into the **Mini-Stamp Palette**! Get ready to do some fancy stampin'! To choose one, press **Any** Button on the Mini-Stamp of your choice.

**Hint!** If you press the **Secondary** Button while on the drawing board, the stamp will move a block at a time. This helps to straighten the stamps! Press the **Secondary** Button again to return to normal stamp positioning!

### MINI-STAMP PALETTE

# PAINT

## STAMP EDITOR

If you want to make your own stamp, pick the **Editor** symbol! A new screen will then appear showing a large version of the last stamp you used. Use the **Helping Hand** to choose colors from the palette.

Change any part of the stamp or make up a whole new one!

To rotate a stamp just select the **Flip/Flop** symbol and then choose your stamp! You must do this before you stick it on the Drawing Board!

To use your new stamp, pick the **User Stamp** symbol. This stamp will only last until you turn off the SNES™!

Once you have finished your stamp, pick the **Exit** symbol in the upper right corner to go back to the Drawing Board!

Use the **Arrow** symbol to check-out all of your stamp choices!

## SCREEN SWEEPER

If you want to get rid of everything on the Drawing Board, then select the **Trash Can** symbol! You have a choice of 10 wacky ways to erase the mess you just made and start all over!

# MUSIC

**Music** has many parts, the major ones are listed below:

THE STAFF IS WHERE YOU PLACE YOUR NOTES AND SOUNDS!

## INSTRUMENTS & FUN SOUNDS

To choose an Instrument or Fun Sound (there's lots of both!), pick by moving the **Helping Hand** to the note you want and then press **Any Button**. The note will sound off above the **Note Star**, which is found over the piano keyboard. You can also place the note directly on the staff!

**Hint!** Use **Any Button** to access the menus and work the controls. The **Main Action Button** places regular notes and the **Secondary Action Button** removes notes. To place a flat note, press **Optional Button B**. To place a sharp note, press **Optional Button X**. Press **Optional Buttons L** and **R** to scroll the song left or right! If you need help, just press **Start** and the **Help Screen** will appear!
